Most of you know that Loren and Judy host an English class on Saturday mornings. We are blessed to be able to share a writing from that class for your spiritual encouragement.

Homework Assignment: Tell of a Bible verse that influenced your life.

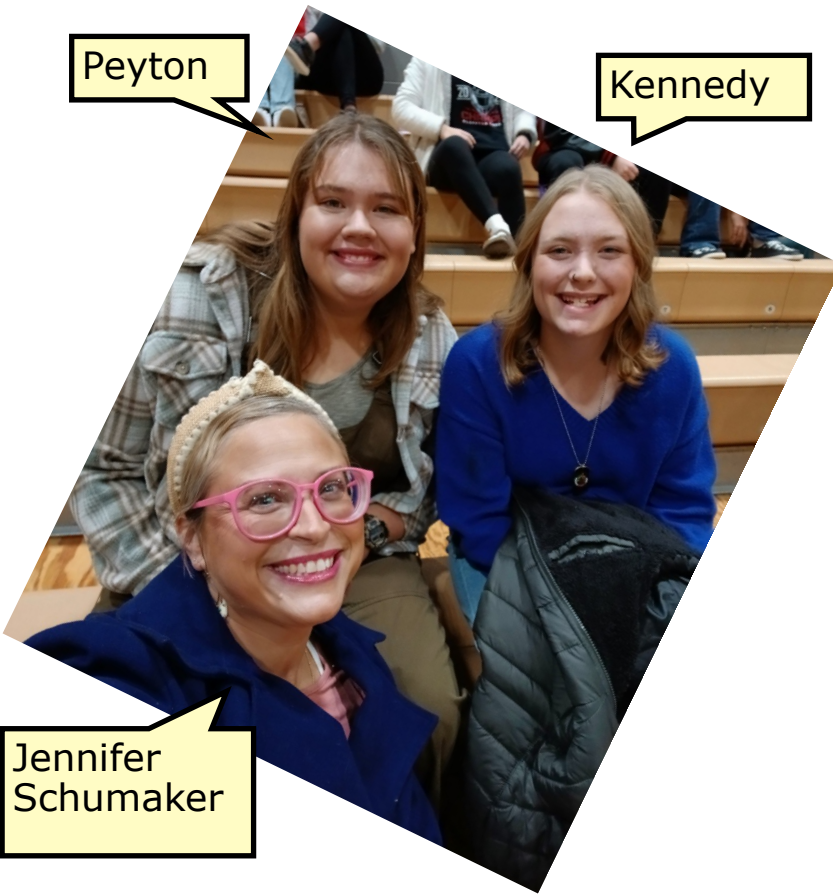

There are many Bible verses that influenced my life. However, Psalm 23:1 is the one of those verses. It says, "The Lord is my shepherd; I shall not be in want." This verse portrays God as a caring shepherd who provides for His people. A shepherd leads, protects, and nurtures his flock, just as God does for His followers.

The sentence, "I shall not be in want," means complete trust in God's provision. It reminds believers that God meets their physical, emotional, and spiritual needs. This verse brings comfort, especially in times of uncertainty or hardship. It encourages faith over fear, knowing that God is in control. The shepherd imagery reflects God's personal and intimate care for each individual.

Finally, I can say, this verse influenced me and continues to influence me a lot because anything I need and I remember this verse; I just say, "the Lord is my shepherd; I shall not be in want."

PRAYER PARTNERS

The prayer group meets each week on Wednesday at 10:00 a.m. All are invited and the elevator is available. Even if you are not able to join us on Wednesdays, you are able to pray in concert with us when and where it works for you. The focus as printed in the bulletin insert for week three is **guidance**. We are praying for the search committee, the church, the candidate, and the Cantrells.
