Hello Bluffton FBC Family,

I hope and pray that each of you are doing well this week and that God blesses and guides each of you day by day. I know I'm looking forward to coming together this week for another opportunity of fellowship with the TinCaps game on Friday. I appreciate how our church comes together even outside of Sunday morning services. Fellowship can be a very important thing for a church body. Helping us build each other up in worship and communion. It makes me think of the portion of Scripture at the end of Acts 2:42-47, when the new 3000 believers had accepted Christ.

> 42 They devoted themselves to the apostles' teaching and to fellowship, to the
> breaking of bread and to prayer. 43 Everyone was filled with awe at the many
> wonders and signs performed by the apostles. 44 All the believers were together
> and had everything in common. 45 They sold property and possessions to give
> to anyone who had need. 46 Every day they continued to meet together in the
> temple courts. They broke bread in their homes and ate together with glad and
> sincere hearts, 47 praising God and enjoying the favor of all the people. And the
> Lord added to their number daily those who were being saved.

I love to see fellowship like this taking place in a church. We are, after all, one big family. A healthy church should be coming together in worship, looking out for each other, enjoying fellowship with one another, and doing all of this with sincere hearts. Coming to church shouldn't be a chore or a checklist item. It should be something we honestly look forward to. Where it isn't a thing that you do only when you don't have something else to do instead. A church like that is a church where you want to bring others in. Family, friends, co-workers, because the fellowship you found is something that you actively want to share. Worshiping God in unity.

God bless,
Pastor Peter N. Fairchild
